

Safer Homes for The Elderly

TOUCH Caregivers Support (TCG) provides a **one-stop home modification service** to retrofit or design a more accessible and safer home environment for the elderly.

TCG's Occupational Therapist will:

- assess the home environment and recommend the necessary home modifications or acquisition of elder-friendly products
- facilitate application for financial assistance*
- source for and coordinate with reliable vendors and contractors, regarding the approved modifications
- provide the necessary training for the use of elder friendly products or home modifications

* Individuals who are under Public Assistance will be fully subsidised while those who require financial assistance will be means tested

住屋设施 改装服务

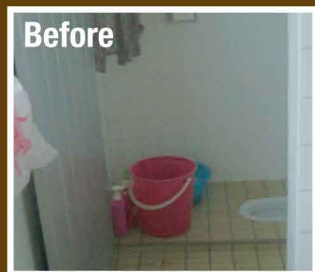

触爱照护者扶持服务通过**一站式住屋设施改装服务**，专为残障长者改装或设计更方便、更安全的居家环境。

触爱照护者扶持服务的职能治疗师将进行以下工作:

- 考察居家环境，并建议须进行的住屋修改工作，或聘请适合年长者使用的物品
- 协助申请经济援助*
- 为已获得批准的修改工作寻找可靠的商家和承包商，并与他们协调
- 提供相关训练，有关如何使用适合年长者的物品及运用修改后的设施

* 公共援助计划的受惠者将获得全数补助，需要经济援助者则必须进行支付能力调查。

Before
Squatting toilet with mosaic tiles

After
Sitting toilet with an additional toilet raiser, grab bar and anti-slip floor

"My grandma had a history of repeated falls in the bathroom area. After the home modification, I feel more at ease when my grandma had to be alone at home as she can now move around more safely while using the bathroom."

Caregiver, Mr Hoe

装修前
铺上马赛克地砖的蹲式厕所

装修后
坐式马桶附带马桶升高垫、手把、防滑地板

"我婆婆曾经在浴室里跌过几次。经过住屋设施改装后，婆婆单独在家时，我比较放心，因为我知道她如厕时可以使用手把支撑身体。"

照护者，何先生

TOUCH Caregivers Support (TCG) assists caregivers of the frail elderly to help them cope with the challenges of caregiving. TCG provides a wide range of home-based and support services delivered by a team of doctors, nurses, occupational therapists, physiotherapists and care coordinators focused on geriatric care
